A FEEL IN THE CHRISTMAS AIR.  
They's a kind o' feel in the air to me,  
When the Chris'mas time sets in.  
That's about as much of a mystery  
As ever I've run ag'in'—  
For instance, now whilst I gain in weight  
And general health, I swear  
They's a genoress somer, I can't quite state—  
A kind o' feel in the air.

They's a feel in the Chris'mas air goes right  
To the spot where a man lives at!—  
It gives a feller a appetite—

They ain't no doubt about that!—  
And yet they's sompin'—I don't know what—

That feller me, here and there,  
And ha'nts and worries and spares me not—

A kind o' feel in the air!

They's a feel, as I say, in the air that's jest  
As blame-don sad as sweet!—

To the same ra-sho as I feel the best  
And am spryest on my feet,

They's also a kind o' sort of a' ache  
That I can't lo-cate no-where;—

But it comes with Chris'mas, an' no mistake!—  
A kind o' feel in the air.

Is it the racket the children raise?  
W'y no!—God bless 'em!—not!

It is the eyes and cheeks ablaze—  
Like my own wuz, long ago!—

Is it the bleat o' the whistle and beat  
O' the little toy drum and blare

O' the horn!—No! no!—it jest the sweet—

The sad-sweet feel in the air.

—James Whitcomb Riley.

Mrs. Alwilda Wheeler has rented the Ed. Bryant home in the Sixth Ward and will take up her residence in this city in a few days.

Born, to the wife of Mr. William A. Ryan of Columbus, O., a daughter. Mrs. Ryan was formerly Miss Emma B. Hill of Clifton.

Mr. and Mrs. J. Clark Rogers have taken up their residence, for the time being, in the cozy little cottage opposite their mother's home in Plum street.

The Ripley Fuel and Transportation Company has just been incorporated. It will build immense coal elevators at Ripley and will ship to the new Ohio River and Columbus Railroad to the interior of the state. Work on the plant will begin immediately.

A Columbus, O., dispatch says the \$8,000,000 estate left by Leonard Case, Cleveland's philanthropist, is once more to be claimed in the courts of the law by alleged heirs, in a suit about to be filed at the request of the lineal descendants of Case's sister.

Maysville merchants report a good Christmas trade, notwithstanding the disagreeable weather. Our rural residents are finding out that right here in this city they can find as large and well selected stocks from which to make their purchases as they can in Cincinnati, and besides saving their fare the price is a shade in their favor in Maysville.

Miss Phoebe Forman of Washington arrived home Wednesday after a ten month tour of the West. During her absence she visited Salt Lake City, Yosemite Valley, San Francisco, Los Angeles and other points. While away she visited Mr. Henry Wood and Mrs. Ann Metcalfe. The latter contemplates visiting her Old Kentucky Home during the summer.

The Committee on War Claims has favorably reported to Congress a bill to pay Joseph B. McClintock of Harrison county for supplies furnished during the Civil War, and a bill paying Thomas C. Isgrigg, also of Harrison, \$150 for the loss of a horse during the War. The claim of the former has been pending in Congress for more than twenty years.

A drunken man is unsightly enough, but a drunken woman is the most disgusting and abhorrent of all sights. One of the Haley girls gave an exhibition of depravity in Third street yesterday that actually made some of the old toppers and habitués of Market street hang their heads for very shame. She was limber drunk and had to be dragged and carried home by two of her colored companions. There ought to be a workhouse for such characters and thirty days at hard labor would be the proper caper for such offenses.

Gerbrich sold 10 pianos before Christmas.

Ray's Cough Syrup will cure that cough or money refunded. 25c.

Mr. William Rees of the Washington neighborhood, who has been seriously sick for some time, was reported greatly improved this morning.

The officers, teachers and scholars of the Central Presbyterian Sunday-school are requested to bring their barrels tomorrow morning, when they will be opened for the benefit of the Orphanage at Anchorage.

Mr. L. A. Dillon of the Surveying Corps of the Columbus and Ohio River Railroad was on this side Thursday taking the water level of the river at the top of the grade at the foot of Market street, the Kentucky side being the best for that purpose. Mr. Dillon informed The Ledger Man that it was his opinion that the time was not far distant when the river at a point opposite the telephone towers would be spanned by a magnificent iron bridge that would serve the purpose of the Company, as well as affording a footway and wagonway for the convenience of the people of the two states.

While Christmas day was bright and pleasant, there was a void somewhere. Perhaps it was the absence of snow with the merry jingle of sleigh bells and the gladsome shout of the coasters on the hillside. There was not even the calling together of the Church-goer by the tuneful and pleasant sound of the Church bells. The streets were not thronged with beautifully attired women and children, and taken altogether it was not like other Christmas days to The Ledger representative. Perhaps it is the sere and yellow leaf of life with some, and the eye is dimmed to that which to the youth appears in rainbow beauty.

## Better Than a Plaster.

## MISSING LINKS!

It is the things that are missing that play havoc with the prices of things that are left. Odd sizes, two or three instead of several dozen of a kind, one color where a gamut of shades reigned, a half dozen yards instead of a bolt, that is about the condition of stocks after the rush of holiday buying.

We haven't had time to count the slain and wounded yet but we'll get to work at once and when full returns are in we will have some interesting news for you.

Keep us in mind, you'll find us worth interviewing and our ads deserving careful attention.

### A WOMAN'S BACK

The Aches and Pains Will Disappear  
If the Advice of This Maysville  
Citizen is Followed.

A woman's back has many aches and pains. Most times 'tis the kidneys' fault. Backache is really kidney ache; That's why Doan's Kidney Pills cure it. Many Maysville women know this. Read what one has to say about it:

Mrs. John E. Burns of the West End, near Pogue's, says:

"I am greatly pleased with the benefit I received from the use of Doan's Kidney Pills, which I procured at J. Jas. Wood & Son's Drug-store, corner of West Second and Market streets. Use proved them to be the best kidney remedy that I know of. I have heard a number of persons speak of the great relief obtained from the use of Doan's Kidney Pills."

### MORAN vs. VICROY

#### Opinion Rendered by the Appellate Court on This Case

The Court of Appeals recently affirmed the suit of Moran vs. Vicroy, from this county, Chief Justice Burnham handing down the following decision—

The judgment of the Court in an action for trespass, alleging that on three separate occasions the defendant had torn down the fence which plaintiff had erected on his own land, and in which the title to the land in question was put in issue by the answer of the defendant, in favor of the plaintiff, may be successfully pleaded as res adjudicata by the plaintiff in an equitable action instituted by him to enjoin the defendant from removing his fencing and from interfering with his use and occupation of the land in controversy.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

It will soon be time for Congress to pay \$250,000 of the people's money for \$24 worth of seeds that rarely ever grow—and produce weeds when they do.

SECRETARY Root has requested Brigadier General M. C. MERRIAM, retired, to inform the Department if he was quoted correctly in an alleged interview in Denver in which he was made to say that the President's appointment of LEONARD WOOD to be Major General is generally unpopular with Army men, and that such appointments tend to unsettle the Army and injure its morality. The General was asked to make such explanations as he may deem proper. If the General did say what the interview says he said, he simply told the truth; but as an Army officer he should have known that it doesn't do to tell the truth about his superiors. He must leave that for the newspapers to do.

At the recent meeting of the National Republican Committee in Washington one of the members delivered his views in this style—

"We have got to nominate ROOSEVELT whether we want to or not. The situation is just this: ROOSEVELT as President has great influences at his command which work immense advantages in an election. If we turn him down for HANNA, HAY, FAIRBANKS or any other man, he is sure to be against us in the campaign, for he would be so enraged over his defeat that his friends could not control him. It is his nature to be impetuous and aggressive, and he has never been strict and loyal to his party only when it was to his own personal interests. It is a question if he did not vote for CLEVELAND in 1884 against BLAINE, and when a member of the Civil Service Commission here later he was always attacking and ranting against Republican spatulation."

"If ROOSEVELT were a big Republican with broad and liberal views like MCKINLEY was, then the result of a contest with him for the nomination would end with the action of the Convention, but with ROOSEVELT as he is, the fight would continue to the close of the polls. HANNA knows this, and has told his friends as much, and that is the chief reason for his refusal to become a candidate. HANNA does not care to make two fights against ROOSEVELT, one at the Convention and the other at the polls. So I repeat that we have got to take ROOSEVELT and make the best fight we can for his election, though the outlook is not encouraging."

Three dead bodies were found in the burning Isle Royal mine near Houghton, Michigan.

Kodol Dyspepsia Cure rebuilds wornout tissues, purifies, strengthens and sweetens the stomach. Gov. G. W. Atkinson, of W. Sold by J. Jas. Wood & Son, Druggists.

If one wants to find the right sort of Kentucky Republican, just let him get off the C. & O. at Vanceburg and ask for Mayor HARVEY PARKER. He doesn't say much, but what he does in a campaign is a plenty.

AUDITOR COULTER will report to the General Assembly that if that body decides to make an appropriation for a new Capitol Building the present revenue of the state, if left unimpaired and vigorously administered, will furnish in excess of current expenses \$400,000 a year. He thinks it will require three years to complete the building and that the bill of appropriation should stipulate the setting apart of a certain sum out of each year's revenues until the purpose is accomplished. So Kentucky can have a new Capitol without increasing the taxes. Now, then, let's have it.

SPEAKING of the contest by D. C. EDWARDS for Dr. HUNTER's seat in Congress, the Washington correspondent of The Louisville Times gives the program usually followed in contests—with the "graft" that always follows as a premium to the contestant.

Dr. HUNTER will have thirty days from the time the notice of contest was filed in which to prepare an answer to the contestant's charges. The law then allows ninety days for the taking of testimony, forty days each for the contestant and contestee, and ten days for rebuttal testimony.

The testimony is turned over to the Clerk of the House, and the consideration of the case is then taken up by one of the three Committees on Contested Elections, the Committee to which the case is assigned being designated by the Speaker of the House.

Both the contestant and the contestee, or their attorneys, have a right to be heard before the Committee. When a report is made to the House the contestant can have the privilege of the floor to present his reasons why he should be seated. The contestee is entitled to the same right.

The Government allows the contestant \$2,000 to pay the expenses of his contest—whether he be seated or not. If he is seated he not only gets the \$2,000, but back salary at the rate of \$5,000 a year from the time the contestee took his seat.

The contestee draws his salary regularly from the time he takes his seat until the day he is unseated by the House. Consequently, Mr. EDWARDS is certain of \$2,000 if he loses, and Dr. HUNTER is certain of his salary up until the day he is unseated, if he should be unseated.

However the chances are all in favor of Dr. HUNTER retaining his seat.

### A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as a cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be warded off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children for it contains no harmful substance. It is pleasant to both adults and children like it. Buy it and you will get the best. It always cures. For sale by J. Jas. Wood & Son.

## You Can Be Cured.

No. 11 Cedar Terrace,  
HOT SPRINGS, ARK., April 28, 1903.

When I was first married I found that my strength and health were gradually diminishing. I became nervous and irritable, and was in bed a week and sometimes ten days of every month. I used to have to lie down at night.

My doctor had the best physician for me and he used his medicine for nearly four months, but I gradually grew worse, had less strength, and finally, I was unable to leave my bed at all.

A friend who was calling on me brought me a bottle of Wine of Cardui and was so loud in its praise that I told her that I would take it to please her.

I was surprised and pleased that before I had used the bottle I really felt better, so I kept on using it. Eight bottles brought back my lost health and strength, and I have not had a sick day in six months.

Elta Finnegan

TEASERER, ST. ANDREW'S SOCIETY.

WINE OF CARDUI

Mrs. Finnegan had little hope of relief because she knew that every time she had those spells of menstrual suffering with attendant bearing down pains she was weaker. And every month the pain was growing more severe.

But Mrs. Finnegan was cured by Wine of Cardui. She is now so well that there are few women who would not be glad to have the health she has. And any woman who has those dreaded bearing down pains can have the same relief.

You can be free from menstrual irregularities if you take this pure vegetable wine. Why don't you take it when you see what it has done for others? Secure a bottle of Wine of Cardui today.

Your druggist has \$1.00 bottles.

## J. HENRY PECOR

Rheumatism Cured.

Mr. Michael Doran, Youngstown, Ohio, says:

"I suffered for a long time with acute Rheumatism in my knee. I tried all kinds of remedies, including an expensive course of electric treatment, all in vain. At the suggestion of my druggist I took a bottle of Paracamph to try. The effect of its use was magical. I got relief at once and after using three or four bottles believe I am permanently cured. It is a wonderful remedy, and upon my advice a number of my friends have tried Paracamph, and the verdict is unanimous that it is all it is claimed to be. I come of my own accord with this statement because Paracamph is a blessing."

Sincerely,

"MICHAEL DORAN."

## Paracamph.

Relieves Instantly Rheumatism, Sore Muscles, Sore Feet and Sore Joints.

Because when applied it opens the pores, allowing the camphor and healing oils to penetrate directly to the seat of the pain and draw out all fever, soreness and inflammation by causing copious sweating. Every bottle is guaranteed

## HANDICAPPED.

The man who started to run a race in chains and fetters would be visibly handicapped. No one would expect him to succeed. The man who runs the race of life when his digestive and nutritive organs are diseased is equally handicapped. In the one case his strength is over-weighted, in the other it is undermined. Success demands above all else a sound stomach.

Doctor Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. When this is done food is perfectly digested and assimilated and the body receives strength in the only way in which strength can be given—by the nutrition derived from digested and assimilated food.

"The praise I would like to give your 'Golden Medical Discovery' I cannot utter in words or describe with pen," writes James A. Ambrose, Esq., of 1225½ Mifflin Street, Huntingdon, Pa. "I have written to you before, and you have said was indigestion. I doctored with the best around here and found no relief. I wrote to you and you sent me a question blank to fill out, and I did so, and you then advised me to use Dr. Pierce's Golden Medical Discovery. I took three bottles and I felt so good that I stopped being cured. I have no symptoms of gastric trouble or indigestion now."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good."

Dr. Pierce's Common Sense Medical Adviser, sent free on receipt of stamps to cover expense of mailing only. Twenty-one one-cent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.

## As You Like It

That is about the way The Mutual Life Insurance Company of New York issues policies in these days of varied requirements in business and family life.

The postscript to a letter written by Mr. Ebe Walter, of Clarkesville, Del., enforces this thought:

"The portions of the dividend addition of \$857, making my \$1,857, or a total cash value of \$1,857 19 are fully appropriated, but I have a small amount I have chosen seems to be the best suited to my present circumstances."

What Mr. Walter did take was a dividend check for \$196.98 on the paid-up policy of a \$1,000, which cost him all told \$448.02. He says:

"The feature which I particularly like about my policy is that longer I live the more I get and that during the balance of my life there is nothing more for me to pay. (From Wilmington (Del.) News, Nov. 27, 1902.)

In writing for terms for a policy of this kind, state what you would like to receive in cash at the end of limited payment period, amount you would like your beneficiary to receive in event of your death, and give your age.
